LAKE KORA

HISTORIC ADIRONDACK GREAT CAMP ESCAPE | NEW YORK

Our Philosophy

Meals are joyous events at Lake Kora. The clarified air and days passed in happy, vigorous play makes everyone hungry, and the renowned local gourmet chef provides fresh, delicious Adirondack fare.

Local Foods

Being from the area, our chef and kitchen staff find all the best local flavors as they forage for wild edible mushrooms and berries, partner with local farmers to obtain local produce and meats, bake homemade breads and bring all these local products together in nourishing, flavorful abundance.

The Dining Experience

With togetherness as one of the most beloved advantages of a visit to Lake Kora, meals are most often at the 20-foot table by the great fireplace in the main dining room. However, you are not limited to this dining space and may choose to enjoy a picnic lunch on a sunny mountaintop or on the deck of the Boathouse, a lakeside barbecue on the lawn, cocktails in the Great Room, or a casual dinner in the Playhouse. Should the evening turn chilly, a bonfire – along with all of the fixings to make old-fashioned s'mores – may await you at the lean-to's down by the lake.

The Cuisine

Make the experience your own by dictating your preference for dining - from multi-course formal meals to more casual, family-style meals. The chef is able to customize the menu to highlight the foods you enjoy, the diet you like and adjust to any dietary restrictions communicated. All food and non-alcoholic beverages are included in the rate.

Beverages

At Lake Kora, we offer a wide range of beverages from locally sourced sodas and beers to champagne and Sauvignon Blanc, Pinot Noir to Craft Beers and Ciders, Artisan Juices to Mineral Waters. Please request our full beverage list to make your selection.
